

# Truck Bed Measurement Guide

**Sierra Coast Bike Racks™**  
**Patent # 7,051,909**

**When you see this Safety Symbol on the following pages they will alert you to the possibility of property damage or serious injury.**

**Important!!!! Read and understand instructions completely before attempting to assemble, install or operate!!!**

- **Use only as described in these instructions.**

To determine which Rack Base Model you need, measure the distance between the Wheel Well Walls Dimension A. See Fig. 1.

## **Rack Base Model 3560**

If Dimension A measured between 35" & 47" you will need Rack Base Model 3560. Small to Medium size Pickup Trucks.

## **Rack Base Model 4772**

If Dimension A measured between 47" & 72" you will need Rack base Model 4772. Medium to Large size Pickup Trucks.
